Mr. Paul Mattox,
Secretary/Commissioner
WV Department of Transportation
Building 5, Capitol Complex
Charleston, WV 25303

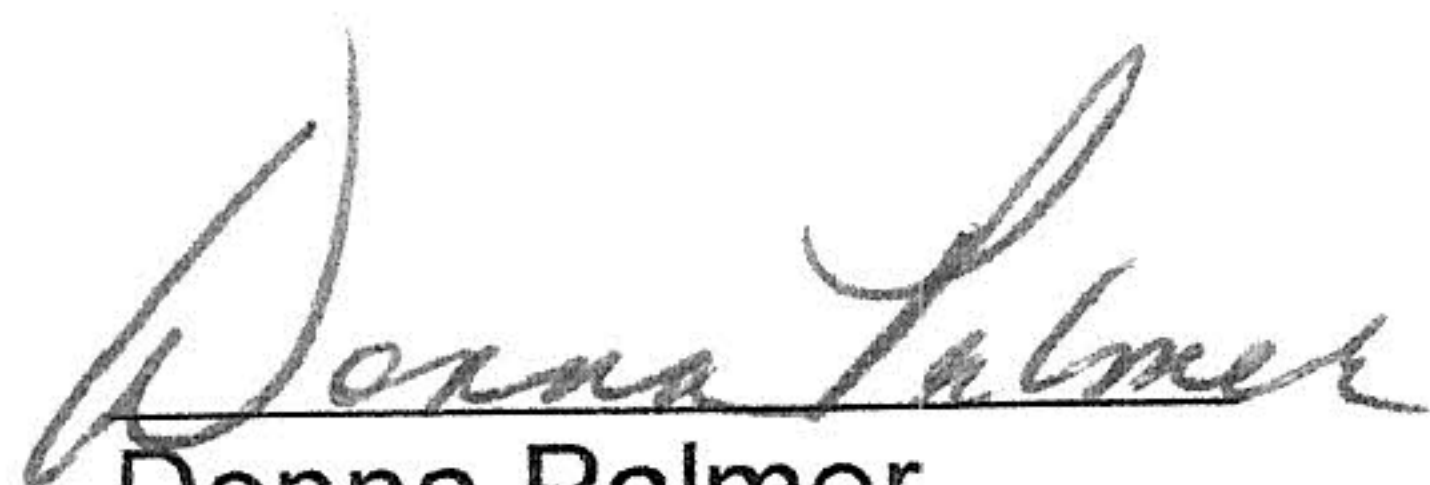

Dear Secretary Mattox,

With funding not seeing any rise in the near future, we would like to propose to have West Virginia companies and businesses advertise on the most visible equipment in the state. We have thousands of pieces of equipment on the state's thousands of miles of roads.

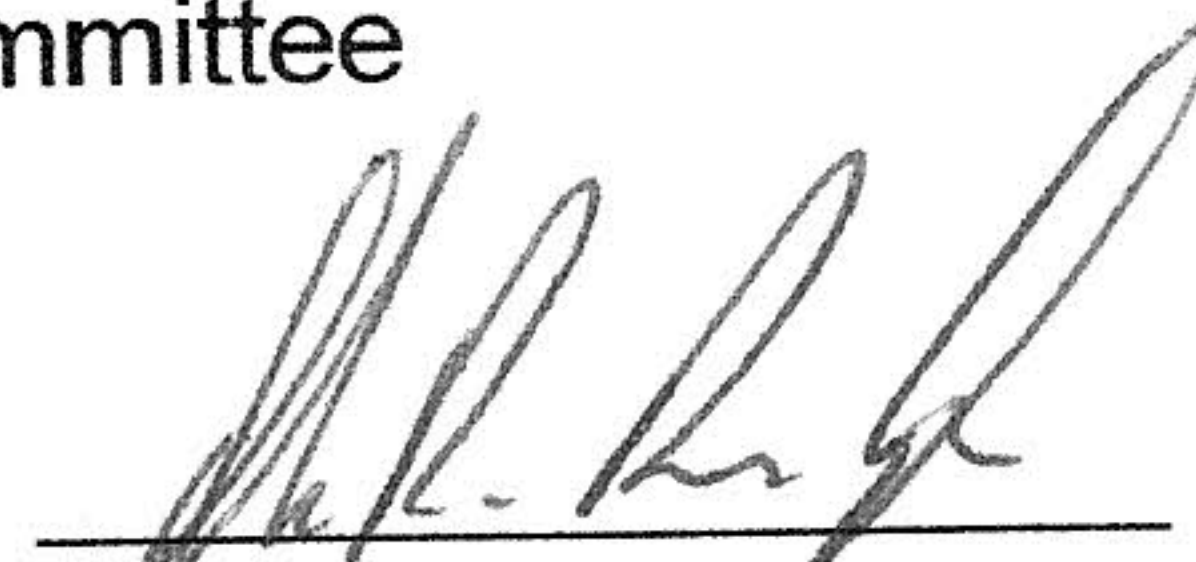

Many other states are doing this to help offset salaries for employees and state projects. We could be a mobile advertisement, raising funds for just a bumper sticker or two.

The committee would be willing to help in any way with further information, details or suggestions.

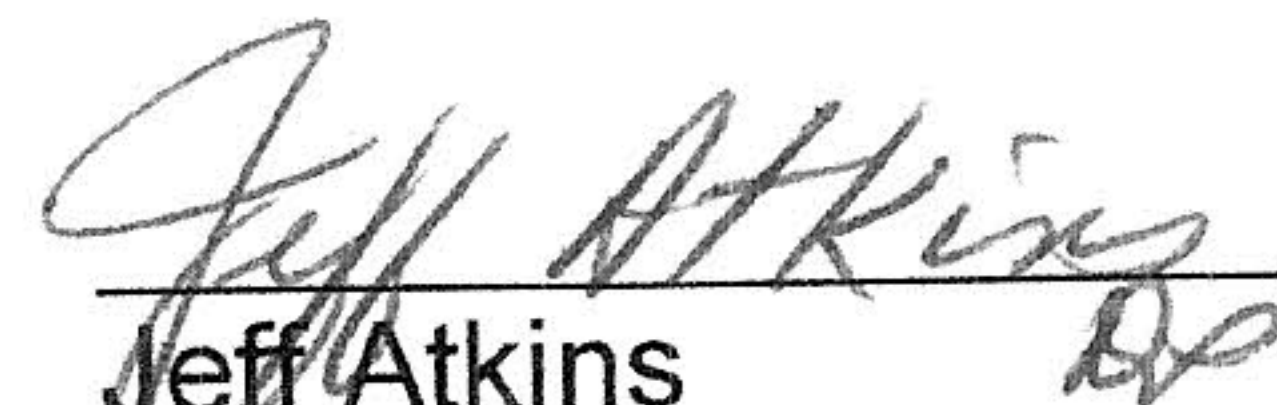

Respectfully,
The Meet and Consult Committee
