August 5, 2008

Mr. Paul Mattox,  
Secretary/Commissioner  
WV Department of Transportation  
Building 5, Capitol Complex  
Charleston, WV 25303

Dear Secretary Mattox,

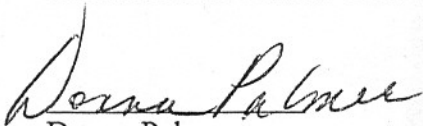

We would like to express our gratitude for the opportunity of meeting with you and being able to voice the concerns of those who we represent.

We would like to give our support and recommendation on the uniform proposal. We have been in discussion about this issue with the employees that we represent and have received very positive feedback.

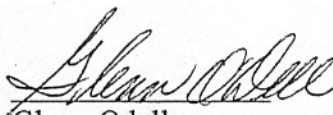

As a committee, we appreciate you and the administration asking for our opinions and input. We will show in the future that this committee can prove to be a mechanism which conveys the interests and concerns of the employees to the administration, also conveying to the employees, the interests and concerns of the administration. We are very proud of the accomplishments that we have already made in our meetings and the work we are continuing to do.

With the assistance of the agency representatives, Mr. John McBrayer and Mr. Greg Phillips, along with AFSCME Director, Mr. Ed Hartman, this committee is becoming structured to the point of becoming a useful tool for the employees of the Division of Highways, as well as yourself and this administration.

Respectfully,  
The Meet and Consult Committee
